Worley Highway District Kidd Island Road Construction Update

06/15/2020

PROJECT OVERVIEW

Worley Highway District's Kidd Island Road project has begun!

Kidd Island Road will be realigned and reconstructed to improve driver safety near the Vahalla intersection and extending to Hull Loop Road. Kidd Creek runs along the road and will be realigned to help stop road erosion.

The work will be divided into two phases:

- From June to late August, on the east side of Kidd Island Road, split at the Valhalla intersection.
- From August to October, on the west side of Kidd Island Road, split at the Valhalla intersection.

Kidd Island Road and Valhalla Road Intersection

CURRENT STATUS

Example Traffic Control Devices

- Necessary detours have been signed.
Please see attached map for Detours.
- Crews have begun tree clearing and will begin constructing a new channel for Kidd Creek.
- Crews will begin removing the current road surface and preparing to strengthen the sub-surface.
- **Road work will not occur during the Fourth of July weekend.**

Detour on W. Presley Road and S. Weniger Hill Road

Kidd Island Road is closed from W. Valhalla Road to W. Hull Loop
