For Immediate Release

Worley Highway District Kidd Island Road Construction Update

11/23/2020

PROJECT OVERVIEW

Kidd Island Road has been realigned and reconstructed to improve driver safety near the Valhalla intersection and extending to Hull Loop Road.

This year's work is complete for the season

- Permanent Paving will be completed next year.
- Permanent striping will also be completed next year.
- Creek channel vegetation growth will be reviewed next year.

Rock Armor Installation

CURRENT STATUS

Temporary Paving is in and the Striping is Complete

- **The road is now reopened to the public!**
- Due to weather conditions, much of the eastern road segment was placed as temporary pavement.
- Temporary pavement will be removed and replaced with permanent pavement in 2021.
- Permanent striping will also be completed in 2021.
- Check the WHD website for updates on final work completion timing in 2021, pending weather.
